Grounds/Building Usage

The Campgrounds are for Camp Events first and they will always take precedent. If any Camp program or event is scheduled, then those who have reserved the camp need to wait until any Camp program or event is completed before coming in to set up or use the facilities.

The Camp will only furnish supplies (plastic ware, cups, napkins, plates, etc.) for **CAMP related** activities. All other activities are to furnish their own supplies.

If you are using the Cafeteria or Chapel, you are expected to set up and clean up for yourself.

Upon completion of the event the person who made the reservation should check to see if each of the following has been done:

- Wash all tables, including the tops and edges, before returning them to their proper place. If tables and chairs were taken from the cafeteria, they should be returned there.
- Check chairs as they are being put away to make sure they are clean.
- All floors should be swept and mopped in areas where it is necessary.
- Clean the kitchen area. All items belonging to the camp must be returned to their correct storage place.
- Check the bathrooms to make sure they are clean and in order.
- Empty all trash and take it to the dumpster.
- Set thermostats to their original setting.
- Turn off all lights.
- Make sure **all** exterior doors are closed.

In the event of damaged or broken furniture or equipment in both the interior or exterior of any building, replacement in kind will be required by the group or individual using the facility and damage must be immediately reported to the camp manager.
